

Snow Routes

Ordinance No. 1009 establishes parking restrictions during periods of snowfall. After eight (8) hours following a snowfall of one (1) inch or more, all vehicles must be removed from designated snow routes. Further, after 24 hours and upon notice following a snowfall of one (1) inch or more, all vehicles must be removed from any street in order that the street be completely cleared of snow. Your cooperation will help make snow removal operations more safe and efficient.

2006 Leaf Collection Program

Residents are requested to follow these guidelines regarding the Leaf Collection Program:

- The program will begin on Monday, October 16, 2006, and will continue for nine (9) weeks through the week of December 15, 2006.
- Leaves should be placed in a pile or row in the parkway between the sidewalk and curb, as near to the street as possible. PLEASE DO NOT RAKE LEAVES INTO THE STREET AS THIS COULD CAUSE STREET FLOODING IF IT RAINS. In areas without curbs, leaves should be placed on the grass or parkway at the edge of the street.
- PLEASE KEEP PARKED VEHICLES OFF THE STREET ON YOUR COLLECTION DAY. WE WILL NOT RETURN TO PILES THAT ARE PASSED OVER DUE TO VEHICLE OBSTRUCTIONS. VIOLATORS ARE SUBJECT TO FINE
- Collection will begin at 7:00 A.M. Please have leaves ready for collection prior to this time on your collection day.
- If leaves are not collected on the day advertised, please be assured that we will maintain the order of collection areas. We have scheduled time at the end of each week to "make up" for lost time due to inclement weather or other unavoidable delays.
- Pursuant to state law, leaves cannot be collected with the regular garbage and disposed in a landfill.
- Leaf collection will be scheduled in the Spring 2007 during the first two weeks of April beginning Monday, April 2, 2007, (weather permitting).

If you have any questions, please contact the Highland Public Works Facility at 972-5083.

**Fall Clean-up Day
